_____	)	

It is hereby stipulated that the STATUS hearing date of November 28, 2007 be continued to January 9, 2008 at 2:00 p.m. In addition, the parties stipulate and agree that time should be excluded between November 28, 2007 until January 9, 2008 due to the ongoing investigation by defense counsel. Two new defense counsel have very recently joined this case. It appears that all defendants are now present, but the new counsel have had very little time to review the discovery. Approximately 4000 pages of discovery have been produced to defense counsel in electronic form. This electronic discovery has been converted to OCR searchable form by defense counsel and distributed to all defense counsel. Seven CD-ROM's of discovery recently received have not been reviewed. Calculation of loss value exposure will be a complicated

process in this case and is ongoing. The parties understand the court's preference for setting of motions by stipulation; however, the parties are not in a position to assess the time needed for discovery review or motions preparation. If possible, the parties will propose a motions schedule by stipulation prior to the requested next appearance.

The parties agree that the ends of justice served by the continuance requested herein outweigh the best interest of the public and the defendant in a speedy trial because the failure to grant the continuance would deny the counsel for the defendant the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. Time should therefore be excluded pursuant to 18 U.S.C. §§ 3161(h)(8)(A) and (B)(iv).

13 **ORDER**

14 Based on the reasons provided in the stipulation of the parties above, the Court hereby

15 finds that the ends of justice served by the continuance requested herein outweigh the best

16 interest of the public and the defendant in a speedy trial because the failure to grant the

17 continuance would deny the counsel for the defendant the reasonable time necessary for effective

18 preparation, taking into account the exercise of due diligence. The Court makes this finding

19 because the parties continue to investigate the new discovery, which is voluminous.

3 November 28, 2007 to January 9, 2008 pursuant to 18 U.S.C. §§3161 (h)(8)(A) and (B)(iv).
